

WHY PAY
MORE FOR LESS?

CONNECT EVERYTHING WITH Universal Super Connector & 5 Piece Coupling

FEATURES

- **Save up to 50% on material cost saving**
 - ♦ Universal Super Connector
 - Eliminate/ Replace expensive HUB & Threadless Connector
 - ♦ Universal Super 5 piece Coupling
 - Eliminate/ replace various expensive fittings
 - 3 piece coupling
 - Split coupling
 - Threadless coupling
 - Rigid coupling
- **Ease of installation/Quick-connect** – Just insert the conduit and tighten the compression nut
- **Universal Connecting** –
 - ♦ Threaded GRC/IMC to Threaded GRC/IMC
 - ♦ Threaded GRC/IMC to Unthreaded GRC/IMC/EMT
 - ♦ Unthreaded GRC/IMC/EMT to Unthreaded GRC/IMC/EMT
- **No More Turning Pipe**
- **Self Pipe Alignment**
- **Eliminates Field Threading** – Connects to threaded or unthreaded product saving labor and space on the job site
- **Fit GRC/IMC/EMT**
- **UL 514B ; C22.2 No. 18.3-12**

Eliminates threading

Easy transitions

APPLICATIONS

- Used to join two lengths of conduit and couples conduit when conduit cannot be turned
- Threaded GRC/IMC to Threaded GRC/IMC
- Threaded GRC/IMC to Unthreaded GRC/IMC/EMT
- Threaded GRC/IMC to Thin Wall EMT
- Unthreaded GRC/IMC/EMT to Unthreaded GRC/IMC/EMT
- UL Concrete-tight

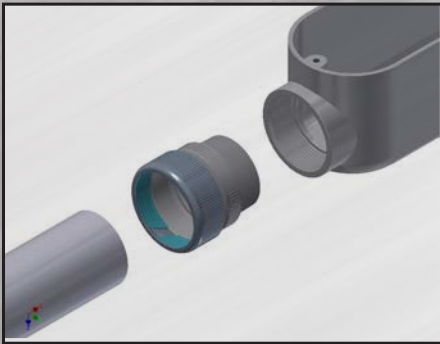

UL 514B
C22.2 No. 18.3-12

U.S. Patent
No. 8.586.881

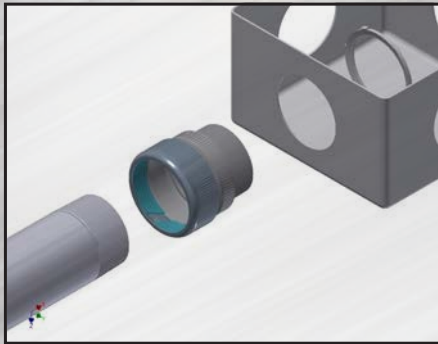

SRCC CONNECTOR

Unthreaded GRC/IMC/EMT to Conduit Body
